

Application No. 09/665,105
Amendment
Docket No. 032405.053

REMARKS

Reconsideration is respectfully requested of the Official Action of March 27, 2003, relating to the above-identified application.

The allowance of Claims 2-4 and 17 to 22 is noted with appreciation.

Claims 1 and 11 to 15 have been deleted to expedite prosecution.

New Claims 23 to 31 are presented to more particularly define and distinctly claim the invention. New Claim 23 to 29 depend on Claim 2 and correspond to original Claims 10 to 16.

In former Claim 15, the term "said mounting seat member" has been changed to "said mounting seat surface" in new Claim 28 to overcome objections. New Claim 29 recites "said mounting seat surface" and replaces an expression in former Claim 16 that had been objected to.

It is submitted that the application is now in condition for allowance; and, therefore, favorable action at the Examiner's earliest convenience is respectfully requested.

Respectfully submitted,

SMITH, GAMBRELL & RUSSELL, LLP
